## IMPORTANT INFORMATION – PLEASE READ CAREFULLY

### Consent holder costs - all consents

Once granted, most resource consents will also incur a yearly 'consent holder' fee and compliance monitoring charges. Please contact us if you have any queries regarding your deposit/fee or processing costs or the yearly charges for your activity.

### Consultation

Consultation with other parties who may be interested in or affected by your activity is encouraged. This involves discussing your activity with others who may have some concerns, listening to what others have to say, considering their responses and deciding what will be done.

If you have carried out your consultation before you submit your application to Waikato Regional Council we will require details of it. In many cases, the provision of written approval from other affected parties will help streamline the processing of your application and may help avoid the necessity for public notification.

### Ongoing responsibilities

If your application is granted you will be responsible for complying with your consent's conditions and payment of your consent's charges until your consent expires. If you wish to cancel (surrender) your consent, transfer responsibility to another party or make changes to your consented activity before it expires, you must submit notice to us in writing or make an application to change your consent.
