

Remission for financial hardship

Remission will be considered in cases of extreme financial hardship. To be eligible, you must own and reside in a property classified as residential. Companies, trusts and other similar ownership structures do not qualify for this remission.

You will be considered to be in extreme financial hardship if you receive the Department of Internal Affairs (DIA) rebate. You must also have received no penalties to any outstanding account balance.

You must apply in writing or online and are required to pay by direct debit. The remission will be up to 10 per cent of the average Waikato Regional Council rates assessed on residential rating units, as defined within District Valuation Roll (DVR) for the current financial year.

To apply, please complete and submit the form below.
